## **JA Stock Market Challenge!** **Student winners are awarded CASH prizes!**

**JA Stock Market Challenge® (SMC)** is a thrilling high school competition that allows students to invest in the stock market using realistic simulation.

**JA Take Stock in Your Future** introduces students to basic concepts about how the stock market works and the impact of current events on the stock market. Through JA Take Stock in Your Future, students discover the benefits and challenges of investing in the stock market as part of a broader, long-term investment strategy and the risks and rewards of trading. After completing the classroom curriculum, students and teachers are invited to compete in the JA Stock Market Challenge.

**The team with the highest net worth in its stock portfolio at the closing bell wins!**
