

Inspiring Tomorrows™

Are you inspiring tomorrows?

NEW for *FALL 2020* JA VIRTUAL CAREER FAIR

We are seeking videos highlighting jobs in all 16 career clusters to further help middle and high school students with career exploration and planning.

Now is your chance to become a virtual JA volunteer!

Virtual volunteers will serve as role-models by sharing their education, training and career experiences with our local youth by providing a short video.

Together, we can inspire the next generation!

**TOMORROWS ARE MORE
IMPORTANT THAN EVER**

For more information or how to sign up as a virtual volunteer,

Please contact Sheila Farrell at sfarrell@jastl.org
