

Junior Achievement™  
**JA STOCK MARKET**  
CHALLENGE  
*April 13, 2023*

## Junior Achievement introduces the **NEW** *JA Stock Market Challenge!*

**JA Stock Market Challenge** allows high school students to compete and practice real-world investment strategy by investing and trading fake money in the real market, creating draft portfolios and finalizing their stock selections.

Students must complete required sessions of **JA Take Stock in Your Future**, which introduces students to basic concepts about how the stock market works and the impact of current events on the stock market. Through **JA Take Stock in Your Future**, students discover the benefits and challenges of investing in the stock market as part of a broader, long-term investment strategy and the risks and rewards of trading.

### PROGRAM HIGHLIGHTS

Blended model, educator- and volunteer-led

Curriculum delivery in person (face-to-face in the classroom) or virtually (online in a remote classroom)
