"Price that Grocery"

Groceries

Consider your life scenario and how you will shop for your family.

Read Slide.

On average the cost for a family of 4 can range from \$379-\$750 per month, depending on your shopping decisions.

Click for next slide.

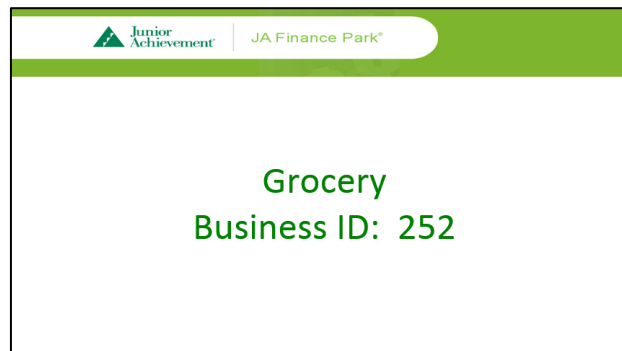

Shopping on a budget

If you are married with 2 children you will need to budget groceries for 4 people.

Point out the code they need to unlock groceries.

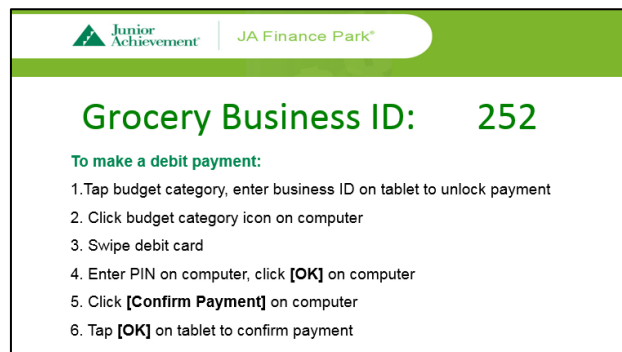

After each group leaves, return to the first slide for the next group.

Remove their price cards and place back in the containers on the table. Also make sure to cover reveal prices on the boards.

Grocery
Business ID: 252
